

# To Dine For

## *PICNICS*

Spring/Summer 2020-21

# Pop-up Picnics

## Why?

- The pure air invigorates you and leaves you feeling rejuvenated.
- Since picnics often take place in warm environments, the tendency to participate in relaxing small talk is high.
- An excellent opportunity for you to spend time outside.
- Eating a meal outdoors is a natural mood booster.
- Picnics are a great stress buster as it helps reduce the stress and anxiety related to work and home.
